- **Date: TBA**
- **Time: TBA**
- **City, State: Clovis, NM**

You may nominate yourself or someone else. Nominating candidates for office is a valuable service to EMS Region III as well as being the county representative for EMS services. Eligible applicants are EMTs, medical directors, EMS directors/chiefs, hospital personnel, laypersons and emergency medical dispatchers residing in EMS Region III. The Board appointed nomination committee reviews all applications and recommends candidates to the governing Board of Directors for appointment.

The following terms for the following position are currently open:

- **Guadalupe County Representative**
- **Harding County Representative**
- **Lea County Representative**
- **Union County Representative**
- **De Baca County Representative (End Term 2027)**

The Board of Directors is composed twelve members, one residing in each county of the service region. The Articles of Incorporation have established the terms of the initial Board. The appointing authority shall determine successors to the initial Directors, and any vacancies occurring on the Board. Four Directors' terms will expire each year.

The main conditions of being a Board member are the availability and willingness to attend three (3) Board meeting each year of the three (3) year term; the availability and accessibility by phone for Board conference calls throughout the term; and agree to abide by EMS Region III's bylaws related to the responsibilities of the Board member in his/her function as liaison to various committees as assigned by the Board President. Furthermore, Board members must be willing to contribute to a productive process and have an interest in quality EMS and trauma system development at the state and local level.

Board meetings are usually held in Clovis. EMS Region III pays mileage and per diem for Board members who are not sponsored by another agency.
